

I have been informed that there is a possibility that LPFM stations would be given priority over existing FM translator stations. I am a regular listener to K-LOVE 96.1 and enjoy the music and information content of this station. I know of other listeners who benefit from this station and believe it would be a great loss to the Clinton/Kansas City area if taken off the air. It is family friendly and programming is uplifting, encouraging and safe for the whole family to listen to. It has been effective in changing lives for the better economically, physically and spiritually. I ask you not to give priority to the new LPFM, but allow existing stations like K-LOVE to remain on the air. Thank you! Doris Egli
